Working group for the implementation of the selection of a strategic partner for the implementation of the project of the construction of self-balancing large-capacity solar power plants with battery systems for the storage of electricity in the Republic of Serbia

No.: 119-01-62/2023-07

Date: 06 September 2023

SUBJECT: Clarification regarding the Public Call for the selection of a strategic partner for the execution of the project of construction without management (operation) or maintenance of self-balanced high-capacity solar power plants with battery systems for electricity storage in the Republic of Serbia

In accordance with the Public Call, we are issuing the following answers to the questions submitted:

Question No: 1.

Is this public invitation addressed to an EPC Contractor or a BOT (Build-Operate-Transfer) Contractor?

Answer:

It is an EPC, i.e. "turnkey" project (turnkey contract)

These answers are an integral part of the Public Call.
