--	---

The Republic of Serbia has received financing from KfW for the costs of the above-mentioned Project. Part of this Project is the engineering, supply of goods and construction works for the rehabilitation and extension of district heating networks operated by the (municipal) district heating companies (Toplanas) of Bor, Jagodina, Negotin and Senta comprising of the following scope:

- Design of Pre-insulated Pipes and Accessories for installation at four different destinations
- Static calculations
- Permitting procedures
- Supply of goods to the sites, Pipe Works and Civil Works
- Quality insurance measures for the Work in compliance with the suppliers instructions and applicable EU standards as defined in the Tender documents
- Workshop about pre-insulated DH pipe technology for the representatives of the Employers as defined in the Provisions and Additional Requirements

The Contractor's Scope will comprise designing, rehabilitation and extension of district heating networks (pre-insulated pipes and accessories) for 4 District Heating Companies (Toplanas) with ca. 24 km trace length from DN 25 up to DN 450. The limits of the Contractor's Scope are the shut off valves of the connection pipes inside the buildings for connecting DH substations executed by another Contractor. The Works shall be performed during the construction seasons 2022, 2023 and 2024. and the Provisional Acceptance shall be issued not later than October 2024.

This Pre-Qualification will be open to eligible Applicants who have experiences in design, supply and construction of heating pipelines with pre-insulated pipes and an annual turnover of  $\geq 6.500,000$  (six million five hundred thousand) EUR, single or as Joint Venture of maximum three entities. Further qualification requirements are specified in the Prequalification Documents.

Interested firms are invited to pay a non-refundable fee of RSD 28.800 (for transactions within Serbia, including VAT), EURO 238 (for transactions within Germany, including VAT), EURO 200 (for international transactions, excluding VAT) in favor of one of the accounts specified below, visit the web site: <https://www.dhv-serbia.com/en/instructions> and follow the registration instructions in order to obtain the prequalification documents. Only in case of need, please contact:

To: Tender Agent	Cc.: Co-Tender Agent
<b>FICHTNER GmbH &amp; Co.KG</b>	<b>Energy Saving Group, ltd.</b>
Wolfgang.Schroeder@fichtner.de	bojana.opacic@esg.co.rs

Only interested Applicants (presented by themselves or one of the partners in a bid) who paid the tender fee before bid submission 28.10.2021 at latest shall be recognized as eligible Applicants.
